**A PREMIUM B2B  
INTERNATIONAL  
FOOD AND BEVERAGE  
& PACKAGING SOLUTIONS  
EXHIBITION**

Co-Located with **ASIA  
PACK TECH EXPO**

## The Exhibition

The Food and Beverage Expo 2023 will be a platform for the international food industry interested in Indian products and food processing technology, in general. Buyers from top names in retailing and food service will be out in force in search of new products, new trends, new vendors, and new connections to help meet record consumer demand for the categories.

The Expo will offer its exhibitors the opportunity to meet key players and decision-makers from the Indian market. In addition, major buyers from organized retail and wholesale from all across the country will also be attending and participating in B2B meetings with exhibitors of their choice.

## Exhibitors expressing strong enthusiasm

The Food and Beverage Expo 2023 is an exhibition that will fulfill the commercial need of international companies wanting to expand into the Indian and global marketplace. With a view to consolidating its brand at an international level, the Food and Beverage Expo 2023 is investing an impressive amount in a series of promotional actions in order to attract more than 7,500 trade visitors from key target markets. In addition, the expo will bring qualified buyers and sellers together with a high likelihood to book real business with each other through face-to-face meetings during the course of the show.

## Why Exhibit

Exhibiting can be the difference between a normal day at work, or three days discovering and developing your next huge success. How many opportunities do you have to put your business in front of 3500+ decision-makers with purchasing power?

## Here are 5 Reasons Why to Exhibit

- ▲ The Expo has multiple categories, aiming at maximizing the display of the exhibitor products.
- ▲ Co-located with Asia Pack Tech Expo 2023 – the 2 powerful shows will showcase the entire gamut of packaging, processing, supply chain management, sustainable packaging including recyclability and packaging performance all under one roof.
- ▲ Meet and network with food processing industry stakeholders
- ▲ 3,500 Indian & 1,500 international buyers are expected to sign up at the platform and arrange meetings with the exhibitors.
- ▲ Launch your business into high gear for 2023, and build a business relationship that will reap long-term benefits.

## Opportunities for Exhibitors

- ▲ You will have the chance to connect with the domestic and global food & beverages market.
- ▲ Discover new markets, business leads, prospective distributors, dealers, agents & associates.
- ▲ An ideal platform for assessing the market to establish and extend your own presence.
- ▲ Showcase innovative products, solutions and contemporary technologies.
- ▲ Boost brand image & extend visibility to new heights.
- ▲ Explore new business avenues and finalised business deals.
- ▲ A perfect launch for new products and technologies.
- ▲ An appropriate platform to strengthen and build your brand image.
- ▲ A perfect meeting place for prospective exhibitors to meet prospective end-users.
- ▲ Meet decision-makers & enhance your business through networking to gain & first-hand market information

## The Food & Beverage, Asia Pack Tech Expo Returns to Chennai Even Bigger

After a successful event of Food & Beverage Expo 2023 that brought 100+ key stakeholders and 500+ senior-level industry professionals in February 2023 to Chennai, we are delighted to be returning to Chennai on 19, 20 & 21 October 2023 at Chennai Trade Centre, Nandambakkam.

Returning for its 2nd edition in the same year, Food & Beverage Expo 2023 co-located with Asia Pack Tech Expo will focus on the industry's increasing challenge for innovation toward a sustainable future, looking at the best strategies for sustainable packaging including recyclability and packaging performance.

The F&B Expo is one of its kind, knowledge platform that brings to its audience information from the food and beverage technology space. The event has a wide scope for business networking from different ends of the spectrum. We bring together senior decision-makers from leading organizations and their counterparts in their domains under one roof so that they can share their wisdom, knowledge and technological expertise among peers—accelerating the growth of the space.
